Sonairte welcomes all adult volunteers who feel they have a contribution to make to the success of the centre. We have a wide range of volunteers of many nationalities ages and states of health.

Sonairte the Ecology Centre promotes sustainable living through learning and cooperation. We are a non governmental charity and are currently self funded. Sonairte relies heavily on voluntary support to remain open. Your interest in volunteering with us is greatly appreciated.

On site is an Organic Garden, Ecoshop, Cafe, Reception, River and Woodland Walk, Bird Hide, Tree Nursery and Irish Bee Exhibition. We sell our organic produce in Dublin on Saturdays and at Sonairte's monthly Food and Craft Market.

We provide training, information and support so that you can carry out your responsibilities effectively. Sonairte provides free soup and volunteer discount in the cafe and ecoshop.

We also ask you to let us know ways in which we can improve our relationship with you.
